

**MR. SUREN KRISHNAN O.A.M., F.R.A.C.S.**

**SAVE THE RAH PARTY  
NEWLAND**

**Clinical Associate Professor of Surgery  
University of Adelaide  
Chairman  
Department of Otolaryngology, Head and Neck Surgery  
Royal Adelaide Hospital**

*Mr. Krishnan is a South Australian of 38 years and has been a doctor serving the northern communities of South Australia for 28 years. He has been a general practitioner and an Ear, Nose and Throat Surgeon. He has worked for over 25 years at the Royal Adelaide Hospital and has significant experience and made significant contribution to public health.*

*He has chosen to contest the seat of Newland to represent the people in Newland who disagree with the Government's management of health services in South Australia. The SAVE THE RAH PARTY wants the government to spend money responsibly in the area of health. Building a 1.7 billion dollar hospital will not address the immediate and long term needs of the community. The money is better spent training and employing, nurses, allied health and medical staff. The money is needed now in country health services and hospitals such as the Modbury Hospital.*

*Mr. Krishnan was awarded a medal in the Order of Australia in the Queen's Birthday Honours List of 2006 and was a South Australian finalist in the 2007 Australia Day Australian of the Year awards for his voluntary service. He is also the recipient of a Paul Harris Fellowship from Rotary International and a Lions Clubs International, James D Richardson Honour Award*
