

Dr. Richard (Max) van Dissel

- Married to Kerrie who works as a Pathologist at the IMVS, Adelaide.
- 3 teenage children;
- Medical degree obtained from Adelaide University in 1984.
- Worked as Resident medical Officer at the RAH and QEH for 4 years.
- After a brief stint in city General Practice, I joined Dr Peter Clements in rural General Practice in Kapunda.
- I have been a rural general practitioner/obstetrician for 20 years.
- I am a passionate supporter of Rural general practice, educating many medical students and young graduates.
- Actively involved in mobilizing the community in protest to the ill conceived Country Health Policy of the Labor government.
- Involved with negotiations with previous governments to maintain the health service at Eudunda Hospital and now standing as a candidate in the seat of Frome for Save the RAH Party.
