

**Dr David Senior**  
House of Assembly  
Candidate for Mawson

**Background:**

- Married, with one married daughter and grandson; he has lived on a farm in the SouthEast for many years
- University of Adelaide (Bachelor of Science, then Bachelor of Medicine and Bachelor of Surgery); Master of Science in Occupational Medicine (London University) 1989
- Medical Officer in RAAF for 22 years; then Rural GP for 17 years.
- Has held senior posts in a number of medico-political organizations for many years.
- Elected Member of Robe District Council for two terms (Deputy Mayor for one term).

**Skills:**

- Experienced rural general practitioner and small business owner.
- Extensive IT experience
- Administrative skills gained in RAAF
- Local government experience
- Medico-political experience

**Plan:**

- By stopping the proposed Rail-yard Hospital development and saving the RAH, we will prevent the unnecessary expenditure of an extra \$1 b by private investors and subsequent leaseback from them, costing taxpayers \$6b.
- By ensuring and implementing ongoing planned upgrades in all major hospitals (including the RAH and the Noarlunga Hospital) we will continuously improve equity, access and services for all patients.
- By implementing an Independent Anti-Corruption Commission we will ensure accountability in government.
- We will develop the State Strategic Plan and State Strategic Infrastructure Plan as living documents, with broad public input and transparent decision making.
- By implementing these plans we will ensure the fair, timely development and support of the State's infrastructure, including schools and hospitals.
- We strongly support the sustainable use and management of water and energy and aim to ensure that our population can live in balance with their environment.
